

Exotech Co.

**Empowering Emerging
Technologies Across KSA**

Who We Are

Exotech is a KSA emerging-technology partner delivering Enterprise AI, ML, Data Management, Data Governance and Digital transformation Solutions - secure, compliant, and scalable for sector needs.

OUR MISSION & VISION

Mission

We transform how organizations harness emerging tech—AI, Robotics, IoT, and data—driving success through innovation, expert delivery, and unwavering excellence.

Vision

To lead KSA in next-gen emerging tech—AI, ML, and Data—empowering businesses to thrive and scale in the digital era.

OUR SERVICES

01

Data strategy

Target state, priorities,
business case, operating
model

02

Data governance and compliance

NDMO alignment, NAI, policies,
standards, classification, ownership,
retention, quality controls

03

Data architecture and delivery

Data warehouse, data lakes,
Lakehouse, ETL/ELT pipelines,
orchestration, data modeling

04

Analytics and BI

Dashboards, reporting factory,
self service BI, analytics use
cases

05

AI, ML and Agentic Systems

Use case selection, MVPs, LLMs,
RAG, evaluation, guardrails, MCP

06

IoT, Automation and workflow digitization

Process automation, document
automation, system integration for
faster cycles

DATA STRATEGY

Exotech helps organizations become truly data-driven by defining a clear target state, prioritizing high-impact initiatives, and building a practical roadmap and business case that accelerates analytics and AI readiness.

SUCCESS STORIES

SOC Ai: Your Autonomous Security Partner

A unified platform that replaces scattered SOC tools with intelligent automation

01

Ingest

Connect any SIEM, EDR, or security tool. Alerts flow in automatically.

02

Analyze

AI enriches with threat intel, assigns verdict: Malicious or Benign.

03

Respond

Automated containment actions execute in seconds with human oversight.

04

Report

Full audit trail, compliance reports, and executive dashboards.

Result: MTTR drops from 6+ hours to under 30 minutes. Your analysts focus on threat hunting, not ticket triage.

WHY PARTNER WITH US?

Expertise

Industry experts with deep tech knowledge.

Innovation

Continuous improvement and the latest tech solutions.

Customer-Centric

Focus on client's needs, Deadline and goals.

Reliability

Proven track record and scalable solutions.
